The screenshot displays the 'SHOWCASE SWANSEA' website interface for car rental booking. At the top, there is a search bar containing the text 'MA 02777'. Below the search bar, the website's logo is visible. The main section features two calendar widgets for selecting the start and end dates of the rental. The start date is set to December 1st, and the end date is set to January 6th. A large red double-headed arrow indicates the rental period. To the right of the calendars, there is a section titled 'TYPE' with four icons representing different car categories: a sedan, a truck, a van, and a car.
